Multiplying Ministry - Passing the Baton

An important ministry principle:

“And the things you have heard me say in the presence of many witnesses entrust to reliable people who will also be qualified to teach others.” 2

Timothy 2:2

Ephesians 4

Matthew 28

What is our role in this?

Proactively keep the principle in mind

Accept that:

- Things will be less good
- Things will take more time
- And it will be painful..!

Make time for this ...

... and start now.

How can I put this into practice?

In Groups: Practically what might this look like in your ministry area?

- Are you committed to passing on the baton in your area; or will you just keep running with it?

- Are there things might you need to do differently in order to multiply your ministry?

- How can you help others to pick up the baton?

- How can you encourage this mindset in others?
